

A Duplex High-Volume Production Scanner

Features:

- Fast, 120ppm / 240ipm scanning in color, grayscale and monochrome (200 dpi, color)
- Support document up to A3 size (297 x 432 mm)
- Robust 500-page automatic document feeder
- Daily duty cycle of up to 40,000 sheets
- Auto crop and deskew a document with the advanced image processing unit to enhance the scanning speed
- Latest USB 3.0 connectivity for faster transmission speed
- Reverse roller technology delivers outstanding feeding reliability
- Hard and embossed card scanning up to 1.25 mm in thickness in landscape feeding
- Press and scan to cloud servers via the bundled software Buttoner Manager V2
- Earth-friendly LED technology
- Long page scanning up to 6000 mm (236")
- Auto power off setting

A New Generation of A3 Production Scanner

Avision is pleased to announce its release of the high-volume production scanner with a robust 500-page auto document feeder and a blazing scanning speed of up to 120 pages per minute in Color, Grayscale, and Monochrome. Combining paper protection technology and triple ultrasonic double-feed detection capability, the AD8080 delivers exceptional feeding reliability to maximize your scanning productivity in a small unit.

A Duplex Scanner Suited for Document and Cards

Thanks to the advanced straight paper path and image processing technology, mixed batches of documents with varies sizes and weights can be scanned, appropriately cropped, deskewed, and ready to use. Scan size accepts paper from receipts 52 x 74 mm (2 x 2.9 in.) to business document 297 x 432 mm (A3). The auto document feeder is also robust enough to feed paper up to 413 g/m² (110 lbs) and embossed hard cards such as ID cards, credit cards, driver's license, and health insurance card up to 1.25 mm in thickness.

Dual-lamp Design to Handle Wrinkled Documents

Designed to handle even extreme applications, the AD8080 scanner is built-in with two long-lasting lamps. These mercury-free lamps give you maximum illumination to help eliminate shadows from wrinkled documents.

Triple Ultrasonic Sensors to Detect Overlapped Paper

With the ultrasonic multi-feed detection capability, the scanner allows you to set overlapped paper by detecting paper thickness between documents. The ultrasonic function can be turned off when scanning document with labels, sticky notes, or taped receipts. This innovative design prevents double feeding and effectively scans documents of different weights or thickness.

Paper Protection Technology

The advanced Paper protection technology protects valuable paper from being wrinkled or torn by halting the scan process once a skewed page is detected.

A Large LCD Display

The AD8080 is easy to use through the clear 1.8" LCD display. By selecting your destination and pressing the "Scan" button, the scan can be done and the scanned image can be sent to your specified destination application such as e-mail, printer, or your favorable image-editing software application. Up to nine frequently used scan settings and destinations can be preset for

Scan to Cloud with Buttoner Manager V2

The AD8080 come with TWAIN and ISIS drivers, and are bundled with a suite of powerful software applications that include Avision Button Manager V2, AVScan X, and ScanSoft PaperPort 14SE. With Button Manager V2, you can complete a scan and send the image directly to cloud servers such as Google Drive, Dropbox, Evernote, FaceBook, or Microsoft SharePoint with a press of a button. You can also save the image to searchable PDF, JPEG, BMP, or GIF file format, and scan to e-mail, or image editing application. In addition, the bundled software applications also include AVScan X and ScanSoft PaperPort which are highly effective document management software to streamline your task more efficiently.

A Document Scanner with an Imprinter (Optional)

The AD7080 production scanner can be integrated with an optional imprinter. The innovative combination allows users to print a sequence number or characters physically on the rear side of each page that is being scanned. By printing serial numbers, the scanned data can be tracked, matched and/or indexed with the original document.

Nuance PaperPort SE14

- The Professional Choice to Organize and Share Your Documents

The PaperPort SE14 main screen

Button Manager V2 makes it easy for you to scan and send your image to your favorite destinations with a press one button. Now the new version comes with an innovative feature to let you scan and automatically upload the scanned document to popular cloud repositories such as Google Docs, Microsoft SharePoint or FTP. In addition, the iScan feature allows you to insert the scanned image or recognized text after optional OCR (Optical Character Recognition) process to your text editor such as Microsoft Word to get your job done easily and quickly.

Document Imaging is the very first step of Document Management. However, poor quality images can cause serious problems to later indexing or storing processes. It may increase scanning labor costs and lowers the OCR accuracy. AVScan X ensures all documents are checked and polished at the time they are scanned such that the image quality is guaranteed before they are ready to use for other purposes.

AVScan X is an intelligent scanning and electronic filing solution. AVScan X possesses distinct features that convert and index scanned information into electronic documents for easy storage and fast retrieval.

PaperPort SE 14 is Nuance's most popular scanning and document management solution, carefully designed specifically for home office use. Part traditional file cabinet, part digital-document desktop, PaperPort SE 14 is the fastest and easiest way to scan, share, search, and organize your documents. Additionally, PaperPort SE 14 now delivers anytime-anywhere access to your most important files however it's convenient for you – using a PC, Mac, iPhone, iPad, or Android device.

Avison AD8080 Product Specifications

Paper Feeding:	ADF 500-page capacity
Scanning Technology:	CCD
Light Source:	LED (LIGHT BAR)
Card Thickness:	Up to 1.25 mm
Long Page Mode:	6000 mm (236 in.)
Document size (ADF):	Min. 60 x 60 mm (2.3 x 2.3 in) Max. 297 x 432 mm (12.2 x 17 in)
ADF Scanning Speed:	120 PPM/ 240 IPM (color, A4, 200 dpi) 80 PPM/ 160 IPM (color, A4, 300 dpi)
Paper Thickness:	28~413 g/m ² (7~110 lb.)
Optical Resolution:	600 dpi
Output Resolution:	75, 100, 150, 200, 300, 400 and 600 dpi
Output Formats:	B/W, greyscale, 24-bit color
File Formats:	BMP, PNG, GIF, JPEG, PDF, Searchable PDF Multi-Page TIFF, TIFF, RTF, TXT, XPS, DOC, XLS, PPT, DOCX, XLSX, PPTX, HTML.
Bundled Software:	Avison Button Manager V2 Avison AVScan X Nuance PaperPort SE 14
Interface/Drivers:	USB 3.0 / TWAIN , ISIS RJ45 Ethernet 10/100Mb
Power Supply:	Input: 100~240 VAC, 50/60 Hz Output: 24V ,2A
Environmental Factors:	Operating temperature: 10°Cto 35°C (50°C to 95°C) Operating humidity: 10% to 85%
Dimensions (W x D x H):	460 x 444 x 328 mm (18.1 x 17.4 x 12.9 in.)
Weight:	32 kg (70 lbs)
Recommended Daily	Up to 40,000 sheets
Scanning Volume:	
Multi-feed Detection:	Ultrasonic Sensor
